

Production Club is an international, specialized team of multidisciplinary individuals who design and produce music-based parties, shows, and experiences worldwide.

Graphic Designer Wanted

We are seeking an experienced graphic designer with brave typesetting skills, a 6th sense for composition, and a near robotic affinity for organization.

Responsibilities

- Sketching, wireframing & concept iteration
- Creating mockups & reviewing with the design team
- Presenting work in a group critique setting
- Producing graphics which adhere to predefined brand guidelines
- Typesetting large bodies of content
- Creation of PDF presentations
- Organizational tasks (files & folders)

Skills

- Proficient & comfortable with the Adobe suite (specifically Photoshop, Illustrator & InDesign)
- Hand sketching (internal ideation & concept communication)
- Works equally well in both group design scenarios & solo assignments
- Detail attentive (down to the pixel) but can also envision big picture application

Requirements

- 4+ years of working experience as a graphic designer (freelance and/or in-house)
- Knowledge of web & print production industry standards
- Excellent verbal and written skills

Things we typically seek, but not a must...

- Professional/Personal experience in creative fields outside graphic design
- General knowledge of music (cultural trends, industry, composition & production)
- Photo/video knowledge (camera operation & post production)
- Fundamentals of 3D (C4D or Blender)

Benefits

- DOE-Salary plus discretionary bonuses
- Paid sick & vacation days
- Health, vision & dental insurance
- 401k participation
- Mobile phone plan
